

## Gastonia Honey Hunters Video Crew

If you love the idea of creating memorable moments and sharing ideas but prefer to stay behind the scenes, you might make a perfect fit for a job as a camera operator. As a camera operator, you will be asked to operate either a stationary or wireless camera during all live broadcasts during our home games this season. This is the perfect job for an individual who has an innovative, creative side but prefers the privacy of being behind the lens. Working with us gives you the opportunity to build a solid resume in the world of broadcast.

### **Responsibilities:**

- Operate a JVC broadcast camera or Blackmagic URSA
- Follow action during game as it occurs
- Capture pre-game, in-game promotion, and post-game events
- Capture fan shots during the game for in-house feed and video board
- Other duties as assigned per the Promotions and Control Room Manager

### **Requirements:**

- Must be able to communicate and work well in a team environment
- Technical degree in broadcasting, digital media, or related field
- Flexible schedule and weekend availability

### **Preferred:**

- Previous work or education experience in shooting sports

The Gastonia Honey Hunters Baseball is an equal opportunity employer.
